CHRISTMAS

Mr Henry Dale
8545 Dugan ave
Normandy Mo

Dear Henry received your letter today I am surprised at you not knowing about the house going as I wrote you a letter telling you about it and told you to see if Plagmburg would get some one to buy it in and I would take a note for what was coming to me I dont see why you did not get the letter as I wrote in time to give him a chance to buy it well that is over with about the friend of waters and the lot will take 350 or 400 for 50 ft I wish he would want the lot 18 as I will not be able to hold it as there are 2 mt notes and now four years tax if he would take the whole of that and pay tax

and int due I would take
what cash he would pay and
turn the lot over to him
he could carry the 300 mortgage
as that would be transferred
over if not will sell the
lot out of the 185 ft as
the cash would do us more
good than the lot do the
best you can as we sure
can use the money we get
papa is just the same as
he was I dont know but
what I will have to go to
the hospital again as have
had the old trouble again
5 times in 2 weeks I
had a hemerage not much
but enough to worry me
so Tony has pups I bet
she is proud of them how
is the cat, who got the
house and what did it bring
in I have not heard from

Rosinbach since he sent
 me a paper clippings about
 it being sold at the court
 house about Nov 8th that
 is why I write you to speak
 to Plagenburg it sure is
 terrable on us to lose everything
 as we always thought we
 could help ourselves when
 we got old now we hardly
 know what to do life I
 sure holds nothing for us
 now, well I will trust
 you to get what you can
 for us I dont care either
 way the lot out of the 185 ft
 or the lot 18 as whatever
 we get will help us some
 how are the kids we sure
 miss them write as soon as
 you can and let me know
 what you can do for us

as we sure need what
we can get well I must
close as I want to mail
this so you get it before
that fellow comes as ever
with love Mother
