Dear Henry received your
welcome letter glade To hear
from you also received your
card and thank you for
the 2 dollars it come in
handy as I have been
sick have been sick this
is the 7th week all the old
trouble was in bed one week
and I sure was sick could
not raise my head off the
pillow or even turn it I
got up to go to the toilet
and every thing turned black
I fell on the floor then had
a terrable hemerage alwa had
to mop up the blood as
it was like turning on
a faucet the Dr said I

had a stroke and wanted
to sent me to the hospital
as he did not know what
more to do suppose it will
end in hospital yet. as I
am not over flowing yet
I sure hate to go at my
age as it would be a
severe operation if I go and
I feel what is the difference
die as I am or by an operation
at least I am going to
try and keep from going
papa is about the same
but thines he gets those
dizzy spells every day 1 or
2 times well we can expect
most anything at our age
suppose you have seen in
the papers how they are
fighting about the pension
sure the gov stoped giving

there share and there
was a piece in the paper
the state would only give
11 03 12 dollars if that is
all we would get it is
noth worth anything to us
as we could not live on
that we hardly know what
to do as joe is kicking so
alma said I am sorry we
did not get to build as
I wanted a smgh garrage
and live in it we at
least would have no rent
had a letter from Oscar
he sent another deed and
a letter saying he wanted
that to save foreclosure
expencees and a deficiency suit

I suppose that will be
OK to sign as I can
have his letter that it
was done to save him from
foreclosing so will sent it
back signed as soon as
I can get out to have
it witnessed by a notary
well I must close for
this time as ever with love
Mother

sorry to hear about
