8545 Greger ave
Normandy Mo

Dear Henry could
not get away tomorrow
sat as the girls saved
so about us going
they dont know about
the new house as
we did not tell them
about it we want
to get away without
having trouble here
alma said she is
sending you a letter
saying we will not
come till summer. but
dont pay any attention
to her letter as we
will be there in time
to fix about the lumber
bill we will try and

leave next sat but
will telegraph you
when we leave as we
can never tell if we
will be able to make
the trip so dont even
answer almas letter if
she sends you one nena
and vernon is here
vernon has to work
tomorrow night and
he takes the machine
to work on account of
coming home at night
and sid is sick again
alma is giving a
party so she would
not take us to the
train but we are all
packed ready to leave
here so look for us

2

will tell you all when
I see you but be sure
and say nothing about
the new house then
smell a rat but dont
know anything unless
alma caught some letters
from you so dont forget
and give things away
about the house being
built hope you
understand what I
mean as ever with love
Mother

be sure and dont
answers almas letter
they as all wild to
know why we want to
go to St Louis now
