

Dear Henry have not heard  
from you for over a month  
hope you are all well  
papa has been pretty  
sick lately he is only  
a sack of bones and skin  
well we got the dead  
from Pseer but it is  
best not to sign it the  
way he made it out  
he made it out for one  
hundred dollars to us  
that would make it bad  
for us as we would be  
selling and we are not  
allowed to sell but he  
could make out a dead  
he was taking it for  
unpaid int notes and

the principle note all  
unpaid with tax unpaid  
that they could not  
bother us as he has a  
right to take the lot  
if we dont pay the  
loan and int then he  
can do as he pleased he  
would be able to turn  
it over to you that way  
you see we have to be  
carefull on account of  
trying to get the pension  
though I dont think papa  
will get his as they are  
arguing about his  
citizenship we had to give  
every address of where we  
were born and where we  
lived up to 1930 and  
they wont take anything  
but a Birth record of his

2

as proof I am sorry  
we ever tried for it  
but all we heard is  
you are intitled to it  
so we applied for it  
now they claim they are  
going to cut out Ohio  
from the pension all over  
the election so we may  
never get anything  
I dont know what we  
will do if it is not  
given as we cant get  
any work papa could not  
work the way his health  
is and I aint no better  
as far as work is concerned  
well something will turn  
up so let things come

as they will and  
about the Got Oseer will  
have to make a deed  
for what we owe then  
he can turn it over  
to you as after he takes  
it for what we owe he  
can do as he pleases with  
it well I must close  
for this time with  
love as ever Mamma
