

FIRE OCCURRED AT HOLMGREN HOME

**Kitchen Range Started Fire in the
Kitchen Floor.**

What might have been a very disastrous fire occurred this afternoon at the home of Mrs. Hilma Holmgren on Sycamore road. The iron in the bottom of the kitchen range burned out and the floor was caught on fire, and was blazing when discovered by Mrs. Holmgren. The stove was moved & the fire put out with the assistance of the neighbors. Mrs. Holmgren had noticed the smell of smoke in her home but was unable to locate the trouble until after noon.
